Traveling “To” Mexico, “In” Mexico, and “Return Trip” Home:

During the time I (we) will be traveling with our Mexico team, I understand my “**adult**” role **changes** to that of being a “**team**” member. Therefore my thoughts and actions need to be for the **good of the “team” as a whole.** I also understand that the **WHOLE TEAM falls under the ultimate authority of our Pastor, Tim Galleher.**

I understand *it is my responsibility to respect the guidelines established by AMOR Ministries, Tim Galleher, and our Mexico Executive Team.* **When we travel, we go as a “group”,** crossing into Mexico, setting-up camp, cleaning-up camp, enjoying our meals sharing our “tent fellowship” as a group. **When our work is done, we will cross the border back into the states as a “group”, making certain NO ONE (especially a woman) crosses the border alone.** These guidelines are for everyone – busses, van/car drivers and motor home drivers. **The ONLY EXCEPTIONS for early dismissal from camp, are FAMILY/MEDICAL EMERGENCIES that arise, with authorization from Tim Galleher to separate from the group.**

We encourage EVERYONE, adults & students that travel with us to HAVE FUN, “be in the moment”, invest your time well and work hard. *We will see God bless us all as enjoy the fruits of our labor and reach out to the people of Mexico.*
