Marks of the Kingdom Mindset
Matthew 25:31-46

The Truth

- The urgency in his voice
- The Son of Man comes
- The sheep who are advocates
- The goats who are not advocates
- The trouble with this seemingly conditional scripture
- The sad decoupling of faith from response
- Real belief means real embrace

The Questions That Arise

- Am I too eager to be rescued from this tension?
- Is my life formatted around the centrality of the kingdom agenda?
- Are we closer now than nine months ago?
- What keeps us from being kingdom people with a kingdom agenda?
- Is Jesus the king of your life?
- Who do you give authority to and why?
