***Walking With Christ In a Post-Secular World***

1. How do we share the good news of the gospel of Jesus Christ in a culture that assumes at best, Christianity is a religious relic of our past that helps some people in their personal lives, and at worst, Christianity is against them in some way?
2. Where do I need to work on “setting apart Christ as Lord” in my own life?
3. What would our community (Saratoga) say if we told them that we were going to move our church to another city?
4. What are the biggest needs of the community that are not being met? How can we as a church move into those areas?
