Message:
Finding Peace for a Troubled Heart
Psalm 42 and Psalm 43

1. What are you susceptible to that can leave you despondent?
2. What are your greatest memories when you were closest to the Lord and his presence was unmistakable?
3. What in your life are you trying to change that is unchangeable? What must you relinquish to your loving Father?

The Serenity Prayer:

“God grant me the
Serenity to accept the things that I cannot change;
Courage to change the things I can;
And Wisdom to know the difference.”

4. If you were to resolve to live out the truth that God follows crucifixions with resurrections, how might that impact the attitude of the way you live?
