Ekklesia
Acts 1:1-11

1. What elements of the early church's context makes the evolution of this movement seem unlikely to you?
2. Consider the necessary elements for a successful start-up in Silicon Valley and contrast that with the DNA of God's design for the launching of his church.
3. Consider and share some moments of displacement in the Bible and how those episodes were spiritually formative for the people in those stories.
4. Share some spiritual moments of displacement or being "called out" that were formative in your journey.
5. What explains the disciples misguided pursuit of the Kingdom of Israel instead of the Kingdom of God?
6. What might be a modern equivalent of our pursuit of personal kingdoms instead of the Kingdom of God?
7. Why do you think being other-focused is so central to the Kingdom of God?
8. What are some creative ways that you could be called out in order to serve in your sphere of influence?
9. What fears do you have about the upcoming transition?
10. What dreams do you have for SFC for the next hundred years?
