Study Questions
May 22, 2016
Luke 12: 13-21

1. Have you ever built a Rube Goldberg device? Share what it did.
2. Why do you think we are fascinated with something that makes simple tasks so complicated?
3. What are some illustrations of Rube Goldberg elements or institutions in our world today?
4. In what way does our economy resemble a Rube Goldberg device?
5. In what ways are we invited to make our lives more complicated for the sake of making money?
6. Why do you think we are so willing to complicate our lives for something that should be so simple?
7. How can you “phullaso” yourself and your family from the allure of greed?
8. In what ways is greed insidious? How can it sneak up on us?
9. How has generosity changed your life as a benefactor or a beneficiary?
10. Challenge: in what ways might you support the ministry of SFC and its partners as an individual or as a Life Group?
