May 14, 2017
Seven
Revelation 2:12-17

1. Who are some other historical figures that come to mind when considering the work of Sam Bowers?
2. What other groups over history have seemingly declared “Gott mit uns” in support of their heinous cause or sinful behavior?
3. What are some of the ways you see those inside and outside of the church practicing syncretism?
4. What are some ways that you personally have held a “Jesus plus” type mentality or worldview?
5. What are some reasons that you think syncretism seeps in to the lives of seemingly thoughtful and serious Christians?
6. How does the fish bowl effect make it difficult to see our own syncretism?
7. What are some cultural aspects of the Bay Area that you see have seeped into the church?
8. What is the difference between addressing sin issues with a “you” singular versus “you” plural approach?
9. What do you make of the synchronization of pendulum clocks? How have you seen this concept play out in homogenous Christian circles?
10. In what ways can you stretch past your regular Christian circles and learn new rhythms of “you” plural solutions to syncretism?
