

Life Matters
A Study in Ecclesiastes
9:1-6, 11-12

1. What's one of the worst predictions you have ever made?
2. What do you think drives us to make predictions?
3. What role does control have in the making of predictions?
4. Do you think life is inherently unpredictable?
5. If that is true, what meaning should we make out of life?
6. How does Life For Others connect to the unpredictable nature of life?
7. What did you think of the "wheel of misfortune?"
8. Which spin of that wheel frightens you most?
9. The wheel of misfortune is meant to deepen sympathy/empathy and lead us to action. How can you proactively serve this week?
10. Share which Serve Sunday job you have signed up for. Possibly, decide to sign up as a group for one Serve Sunday job.
